Twin Strangers
 Watch as a young woman finds her unrelated look-alike. The resemblance is uncanny, especially when they change their looks to appear even more similar.

New NCK-WiFi Soon Available In North Central Kansas

NCKCN and Cunningham Telephone & Cable are partnering to provide a new Internet service to North Central Kansas. The new service, NCK-WiFi, will have hotspots showing up in the NCKCN & Cunningham service area very soon and will provide additional Internet access for both existing and new customers on the go. The new service is sure to be a boon for the area. NCKCN and Cunningham have chosen Biking Across Kansas as a way to continue their community involvement and support. By providing NCK Wi-Fi service to this special event, race competitors and spectators will have Internet connectivity at their stops through the Cunningham service area in Mankato and Belleville keeping them safe and connected as they continue their trek across Kansas.
