**Keep Alert - Warnings For eBay Sellers**

---

A site like eBay can be a great platform for selling items, and it gives you a lot of benefits that would be hard to replicate on your own. But, like other hubs of online activity, eBay also attracts scammers. The best way to avoid them is to know their tricks. Here are some common eBay scams to watch out for...

### **Fall Slow Cooker Recipes**

[delish.com](http://delish.com) – When you think of meals made in a slow cooker, you probably think of soups and stews. But you can do so much more, including Mac and Cheese, Meatloaf, and Pot Pies. This gallery offers 29 slow cooker recipes that can make cooking dinner faster and easier.

### **Books And More**

[themillions.com](http://themillions.com) – The Millions is an online magazine packed with book reviews and other arts-related content. Check out the "top ten" lists, which show the most popular books among site viewers. Looking for information about a specific book? Check out the Books & Reviews section to search by author.

### **Outdoor Christmas Decorations**

[housebeautiful.com](http://housebeautiful.com) – It's not too early to start thinking about Christmas décor, and this site can help. Find great ideas for stand-bys like wreaths, lights, and garlands. Also check out unusual treatments like snowflake cutouts, sleds propped upright on the porch, containers of colorful ornaments, and signs with your special greetings.

## **Short Tutorial/FAQ - How Often Should I Replace My Computer?**

---

**Question:** I know computer technology changes frequently, but I don't want to waste money on a new computer if I don't need one. How do I know when it's time for an upgrade?

**Answer:** The best time to replace your computer is when it no longer meets your needs...
