Food Council Survey Request - From NCRPC

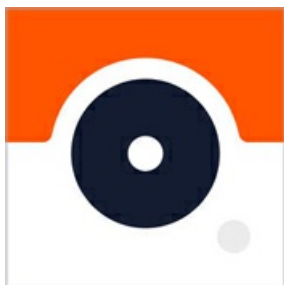

With the help of NCRPC, North Central Kansas has an official Food Council that was developed in early 2017. The North Central Kansas Food Council covers 12 counties (Clay, Cloud, Dickinson, Ellsworth, Jewell, Lincoln, Marshall, Mitchell, Ottawa, Republic, Saline and Washington). They are currently working on a food system assessment to help understand the local food system in each County and the region. EVERYONE living in one of those 12 counties is invited to complete this online survey as part of the information gathering for the food system assessment. It is NOT limited to one per household. The food council wants to hear from everyone. So share with your families and friends! It does not take long but the results will go a long way. The survey is open until July 31.
