Sites of the Month – Great Sites To Check Out In September

Let Go Of Old Stuff

us.letgo.com – The letgo app is like other apps where you can sell your stuff with one important exception: you don't have to worry about creating a description. The app does it for you using = artificial intelligence and image recognition based on a photo you upload. Of course, it's also a great place to find used items to buy.

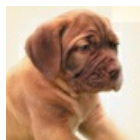

Explore The Cosmos

nasa.gov – The NASA website always has something fascinating going on. Right now, you can get the details on the Parker Solar Probe, a recently launched spacecraft on its way to the Sun! Also check = out the agency's accomplishments as it approaches its 60th anniversary as well as its plans for exciting future missions.

True Stories Told Live

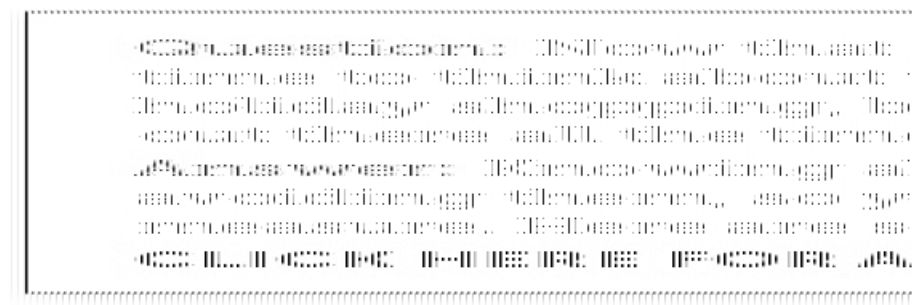

themoth.org – The Moth is an organization that promotes live storytelling. Visit this website to find upcoming events near you, listen to recordings of others' stories, or submit a pitch to tell = your own. Check out the Storytelling Tips & Tricks page to get some hints for your next social gathering.

Attack Of The Cute

attackofthecute.com – Time to get your "awwwwws" out! This collection of beyond-adorbs puppies, kittens, and other super-cute critters will make you forget about work, laundry, and the news. = Vote for your favorites with an "it's so cute" rating, or "it's so fluffy" or "meh" if you're not as impressed.
