

MUST-SEE VIDEOS

How Animals Run

This guy perfectly imitates 12 animals, from a duck to a deer to a dog, and shows how they'd run if they were human.

Land of Giants

Inspired by the Easter Island statues, architects have transformed electricity pylons into deer and human shapes.

NEWS AND VIEWS

**Cunningham Telephone & Cable Members
(ACP)**

Enrollment for the Affordable Connectivity Program is now open. The ACP is a government program intended to make broadband services affordable for low-income households. The program provides a monthly discount of up to \$30 for eligible households. For more information or to see if you qualify, call our office at: 1-800-287-8495.

ACP Website: <https://acpbenefit.org/>

**NCKCN Members
(ACP)**

NCKCN too is in the process of hopefully being approved to offer its customers/members the Affordable Connectivity Program option. As the process of approval may still take some time to finalize, keep an eye out on NCKCN's website (<https://www.nckcn.com/>) for more updates/information regarding the ACP!

As mentioned above for CTC members, the ACP is a government program intended to make broadband services affordable for low-income households. The program provides a monthly discount of up to \$30 for eligible households.

**NCKCN Members
(Higher Speeds starting April 1, 2022)**

In addition to the great news regarding the ACP for low-income households, NCKCN is also upgrading its lower speed package speeds while staying at the same price!

Effective April 1st, 2022, many NCKCN members will receive higher speeds but at the same cost per month - more speed for your hard-earned buck! For more information regarding NCKCN's new speed packages, please visit: <https://www.nckcn.com/>.

Please note that on NCKCN's Internet service page where all packages are listed, will be updated to the new speeds for the lower speed packages come April 1st - so please note that until then, you will be viewing NCKCN's current (but soon to change) speed packages.

For those who sign up for Internet service during the month of March and are only needing either the Standard or the Supreme Pack, NCKCN during installation will ensure you are on its new package speed.

For current NCKCN Members, throughout the month of March, NCKCN will be bumping those on its lower speed packages to its new higher speeds for the package you have prior to or no later than April 1st, 2022.

For those still on NCKCN's WiMax (or AirSpan) system (those in Beloit, KS), a NCKCN technician will be reaching out to you to schedule a date and time to upgrade you to NCKCN's newer system that will allow for much higher speeds!

We thank you for your patience and support as NCKCN strives to provide the best service around and hope you enjoy the faster speeds from your local Community Network!
