Building for your Broadband Future

We are as busy as ever with construction projects. Our FTTH (fiber-to-the-home) builds in Concordia and Beloit are about 2/3rds done now. We've started FTTH construction in Belleville, Mankato and Jewell this Spring also. And construction has begun on our Kansas Department of Commerce Broadband Acceleration Grant project outside of Concordia. Lots of exciting new investment into your broadband future happening. Stay tuned for more updates and faster speed offerings coming soon!
