

Watch Pranksters Work to Shut Down Scam Call Centers

Mark Rober is a former NASA engineer turned YouTuber who's best known for funny gadget videos. But here, Rober and his team use gadgets — including smoke bombs and cockroach-release boxes — to go after four call centers in India that scam older people out of their life savings. Watch for a behind-the-scenes look at how these terrible scams work.

NEWS AND VIEWS

Cunningham Fiber Construction Begins in Rural Concordia

We've started construction to bring fiber-to-the-home (FTTH) to rural Concordia. This 18-month project will bring Gigabit internet speeds, video and telephone service to over 200 rural residents, farms, and businesses outside of town. We are excited to continue to bring more broadband access to North Central Kansas. Stay tuned for more updates.
