What's the North Pole Like?

There's no sign of Santa's workshop! However, the North Pole is a fascinating place to visit. It has no solid land — just floating ice.

Rockefeller Christmas Tree History

The famous tree has been displayed at Rockefeller Center since 1931. Take a look back at some of its more memorable moments.

NEWS AND VIEWS

Update/Upgrade to NCKCN Email Services

NCKCN/CTC will be updating to new email servers starting December 10. The new expanded services will make managing your email more modern, convenient, and manageable. You'll have the same great service for email clients and an updated WebMail Interface. We'll implement new, updated Spam and Virus Filtering—included with every NCKCN email account.

As in past years' upgrades, we hope the process will be painless and transparent, but wish to give all our customers a heads-up of what's to come. We're excited about the upgrades and sure you will enjoy the fresh new look and capabilities. We'll post more specific information to your current @nckcn.com email address as we get nearer the upgrade time.

If you have any questions, you can contact Technical Support toll-free at 877-841-6500.
