## NEWS AND VIEWS

### Get Live Tech Support 24/7

Cunningham Fiber, with the help of ISPN, has added 24/7 live technical support for customer care issues. After hours, if a Cunningham customer calls one of our offices, they'll be answered by friendly, skilled technical support staff that will be able to help resolve service issues any time of night. And during the day, if all our phone lines are busy, ISPN will also step in and answer calls in addition to our Customer Service Representatives so that every call is answered with a live person, 24 hours a day, 7 days a week. At Cunningham Fiber, we care about our customers and want them to have the best experience possible with our services!

Founded in 1994, ISPN provides expert solutions for Broadband and Internet Service Providers (ISPs) of all types across the nation. ISPN serves telcos, municipalities, electric cooperatives, cable operators, WISPs, and MDUs.
